Mar 8 Posted by Mike Holden Looking for a sign to take to tonights Caps

And while youre thinking that but not saying it, ask yourself why you are a professional athlete yet unable to focus enough to get up for any game you need to get up for, particularly one against a division rival that was banging on your door at that point.

Ignore the damn signs, Caps! Or be so in the zone and focused on the precious two points up for grabs that you dont even notice the signs to begin with.

DC, Free Knuble, hockey, Knights of Knuble, NHL, Scratch Hunter, signs, Verizon Center, Washington Capitals Bruins power play time, then roughing up Lucic a bit in front of the net

Professional sports is a business, I love what Ted Leonsis has done for the Caps, and this team has become extremely popular.

Your season, and many fans patience, might be gone soon if you dont.

It was reported by Stephen Whyno of The Washington Times that this was due to some Caps players requesting the signs be removed during warm-ups.
