Other Notes: For some great analysis, check out this post by WNSTs Ed Frankovic and his theory on why the Caps have played better this week.

However, now in their fifth straight year, these constant and sometimes rather steep increases have started to feel excessiveand like the type of thing that could come back to haunt the organization if they hit a prolonged rough patch.

One of the players asked one of the bench personnel to see if he could get them to take it down.
