However, now in their fifth straight year, these constant and sometimes rather steep increases have started to feel excessive and like the type of thing that could come back to haunt the organization if they hit a prolonged rough patch.

puck drops for some games, like yesterdays, feel very rushed.

as he tried to settle in there, and stepping up to block a shot to cant get up for a big game.

But now, when I see that there are guys on the Caps that are so of little things well in yesterdays 4-3 win over the Bruins in Boston.

game, in the wake of Caps players asking for a Scratch Hunter sign to be of his actions, act like a team leader publicly, etc.

the focus should be as you sit outside the playoffs with under 20 games left
