One of our arena employees thought he was being helpful, and asked the fans to take it down.

>>> I was really impressed with Dmitry Orlov in overtime during the Caps win against Tampa on Thursday night. I always will be.

But now, when I see your captain sulking, your disinterest on the ice at times and some of you actually taking the time as pro athletes to worry about what a cleanly-worded and done-seemingly-in-good-fun sign says, I cant help but think that you sound like losers.

in the regular season? (I also doubt one of the biggest bad-asses in the history

The organization and some fans seem OK with him doing whatever hed like.

Here are a few of them that really jumped out at me: The Caps stood shot on goal showed the Caps fighting until the very end.

There are times when the Caps dont even seem present.

Multiple players have commented on not knowing why they come out flat some games and theyve been uttering nearly identical quotes after some of these games for over three years now.
