quotes like Alznerns and this teams inability to play consistent hockey for 60 minutes, or One solid shift at a time.

Alex Semins pass to Jay Beagle for Washingtons 3rd goal was excellent, not to mention

In series losses to Pittsburgh ( 08- 09), Montreal ( 09- 10) and Tampa Bay ( 10- 11), the team looked flat and unable to push over the hump to take their post-season game to the next level.

Then this afternoon, I read something that further irks me and it relates especially to that third and final bullet point above.

I did get nervous when the Bruins pulled within one, especially after the Caps third period collapse at home versus the Jets a few weeks ago.

Those games are really easy and sometimes here in Florida it s difficult to get up I was dumbfounded when I read that Alzner quote back in early February.

Ive rooted for a lot of losing teams in my life; its really not hard to do.

Ive been a big believer in The Plan and a strong supporter of most of what the organization has done the last few years.
