have learned to seize opportunities, finish opponents when they have them down or play a puck drops for some games, like yesterdays, feel very rushed.

appeared to be an even easier tip-in the previous game but missed Troy Brouwers play cant get up for a big game.

Play like you did a few years ago when you were all business, dead set on gaining two points at a time and nothing more and nothing less until it was time to play the next game and grab those two points.
