Then this afternoon, I read something that further irks me and it relates especially to that third and final bullet point above.

I did get nervous when the Bruins pulled within one, especially after the Caps third period collapse at home versus the Jets a few weeks ago.

Ive rooted for a lot of losing teams in my life; its really not hard to do.

One solid shift at a time.

Ive been a big believer in The Plan and a strong supporter of most of what the organization has done the last few years.

quotes like Alzners and this teams inability to play consistent hockey for 60 minutes, or

Alex Semins pass to Jay Beagle for Washingtons 3rd goal was excellent, not to mention

Leonsis goes on to explain that the signs should have been permitted inside the venue, which is great to hear because banning signs is Redskins-like behavior and very un-Caps.

In series losses to Pittsburgh (08- 09), Montreal (09- 10) and Tampa Bay (10- 11), the team looked flat and unable to push over the hump to take their post-season game to the next level.

Mike Vogel has a nice look at the rookie defenseman on the Dump n Chase blog.
