4th goal was nice to see he was set up by Alex Ovechkin for what

role players brought in over the last few seasons, the team does not seem to

Ignore the damn signs, Caps! Or be so in the zone and focused on the precious two points up for grabs that you dont even notice the signs to begin with.

DC, Free Knuble, hockey, Knights of Knuble, NHL, Scratch Hunter, signs, Verizon Center, Washington Capitals Mar 8 Posted by Mike Holden Looking for a sign to take to tonights Caps

And while youre thinking that but not saying it, ask yourself why you are a professional athlete yet unable to focus enough to get up for any game you need to get up for, particularly one against a division rival that was banging on your door at that point.

It was reported by Stephen Whyno of The Washington Times that this was due to some Caps players requesting the signs be removed during warm-ups.

Bruins power play time, then roughing up Lucins a bit in front of the net

Well see if playing back to back days affects the teams ability to stay focused on the important details during todays game against Toronto, whos coming off a Saturday afternoon game against the Flyers.

Professional sports is a business, I love what Ted Leonsis has done for the Caps, and this team has become extremely popular.
