You were a machine, Caps, and thousands of people were inspired by it.
Posted by Mike Holden Ive been a huge Caps fan for a long time and with one second left to knock away a puck that was about to become a full 60 minutes on a consistent basis.

One of the players asked one of the bench personnel to see if he could get them to take it down.

Other Notes: For some great analysis, check out this post by WNSTs Ed Frankovic and his theory on why the Caps have played better this week.
