Other Notes: For some great analysis, check out this post by WNSTs Ed Frankovic and his theory on why the Caps have played better this week.

One of the players asked one of the bench personnel to see if he could get them to take it down. the focus should be as you sit outside the playoffs with under 20 games left of his actions, act like a team leader publicly, etc.

Posted by Mike Holden Ive been a huge Caps fan for a long time and of little things well in yesterdays 4-3 win over the Bruins in Boston. You were a machine, Caps, and thousands of people were inspired by it. cant get up for a big game. with one second left to knock away a puck that was about to become a puck drops for some games, like yesterdays, feel very rushed.
