One solid shift at a time.

quotes like Alznerns and this teams inability to play consistent hockey for 60 minutes, or Then this afternoon, I read something that further irks me and it relates especially to that third and final bullet point above.

Alex Semins pass to Jay Beagle for Washingtons 3rd goal was excellent, not to mention

I did get nervous when the Bruins pulled within one, especially after the Caps third period collapse at home versus the Jets a few weeks ago.

In series losses to Pittsburgh (08- 09), Montreal (09- 10) and Tampa Bay (10- 11), the team looked flat and unable to push over the hump to take their post-season game to the next level.

Ive rooted for a lot of losing teams in my life; its really not hard to do.

Ive been a big believer in The Plan and a strong supporter of most of what the organization has done the last few years.

Those games are really easy and sometimes here in Florida it s difficult to get up I was dumbfounded when I read that Alzner quote back in early February.
